Roofers is a [Bootstrap 5](#) website template built for construction companies and other websites. This [free multipage theme](#) has a detailed layout with all the necessary UIs oriented efficiently on the skin. Some of the UIs inclusive of this theme are a **sticky top navigation bar, call-to-action buttons, on-hover effects, a hero section with a form UI, testimonial sliders, tabbed menus, accordions, a blog section, a detailed footer, and many more.** All the UIs are made to be [100% responsive](#) on all devices, regardless of the screen sizes.

In addition to that, Roofers is created with modern technologies like Bootstrap 5, HTML5 & CSS3. The theme comes with fewer cross-browser bugs and is compatible with major browsers. The layout

doesn't break down while running on different devices or browsers. Also, the landing page theme is page-speed optimized and takes quicker time to load, reducing bounce rates. With its inherent optimization, [the multipurpose theme](#) can also get you a higher ranking in search engine results. With its interactive layout, Roofers engages more audiences on the page, ensuring a higher click-through rate.
